GALLOPING HOOFS,
Chapter 3,
"Neck and Neck"

By ... Frank Leon Smith

Carol's rescue from the burning shack is effected and the two kidnappers escape, annoyed at their failure. They spy about the place and learn that the box has accidentally been taken to the Louisville race track, where Gold Blaze is to run. There's a thrilling chase to see who gets there first. Kirby finally gets the box, but has to fight the two crooks to keep it, and he's getting the worst of it. At the same time Gold Blaze and Lone Star, owned by Richard Shaw, are running neck and neck, and at Journey's End, the sheriff is auctioning off Carol's home.
